Although this program is sponsored by the Waldoboro Recreation Department, **participation is open to all area youth** including non-residents. Our program is based on a developmental sports philosophy; concentrating more on learning and less on winning. Our hope is to create a positive environment for our children to learn the game of soccer and spend quality time with friends and family. To make this season a success we are relying on the continued support of volunteers to coach, referee, conduct fundraising and *set-up/clean-up* the fields.
