Town office Conference Room

Sign in and Call to Order, determine quorum

Old Business

Approve meeting minutes from December 19, 2016 and January 9, 2017

Review status of proposed Live Internet Streaming Video via YouTube for conference room. Determine alternatives so formal bids can be received for the system upgrade to include two 1080 video cameras and infrastructure for live Internet streaming via You Tube and LCTV archiving and distribution. Or, decide to forego complete system upgrade by delaying entire upgrade until after 1080 cameras are installed on the existing LCTV system. This would limit the 2017 budget by spreading the cost over a future year to include streaming video over the Internet.

Complete town broadband map before January 27th and determine how full size (24" by 30")copies can be printed in color
