Monday, Nov. 3, 2009 at 4:30 p.m.**

- 1. Call to Order:** The Conservation Commission was called to order by Chairman Edward Fisher at the Municipal Building at 4:30 p.m.

Attendance: Present were chairman Edward Fisher, Claire Bowley, Steve Cartwright, and Norman Golden.

Also attending: Liz Petruska, executive director of the Medomak Valley Land Trust, Selectman Ted Wooster and Waldoboro resident George Keyes.

- 2. Minutes** of the previous meeting were approved 3-0-1.
- 3. Possible park in village** Ed Fisher reported that he and Ted Wooster attended an Oct. 15th meeting of the Waldoboro sewer district. The Conservation Commission is interested in the possible use of the old treatment plant site by the Medomak River, now owned by the sewer district. The site could be a park and/or parking lot, and a possible kayak \-launching site. Apparently, the district has been approached by Fred Storer of Storer Lumber Company, about purchasing the waterfront land, which is adjacent to the lumber yard.
- 4. Discussion of Quarry Hill Management Plan** No additional bids after extended second advertising for proposals.
- 5. Update on community garden concept** – No discussion at this meeting.
- 6. Public informational meeting** set for Nov. 12 at town office
- 7.**
- 8. Adjourn by 5:30 p.m.** - The Commission voted 3-0-1 to adjourn. The next meeting will be Monday, Dec. 7th, at 4:30 p.m. at the town office.
