1. **Call to Order:** The Conservation Commission was called to order by Chairman Edward Fisher at the Municipal Building at 10:05 a.m.

**Attendance:** Present were Chairman Edward Fisher, Claire Bowley, Jack Farlow, and George Keyes

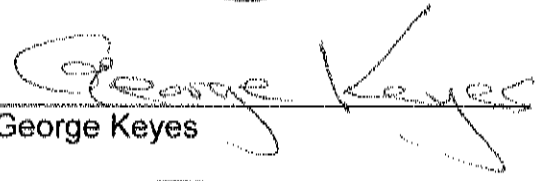

2. **Minutes** of the previous several "meetings" do not exist (due to a lack of quorum).
3. **Discussion of Ways to Increase Public Awareness** took up the majority of this meeting. Suggestions included: special lectures (e.g., safe methods of yard-scaping to reduce down-slope pesticide damage); a series of outdoor, participatory events (e.g., walks, paddles, snow shoe hikes); and sponsoring joint events with other organizations (e.g., Recreation Dept., Medomak Valley Land Trust, Snow Crawlers, Public Library, High School Adult Education Dept.).
4. Obtaining and installing a **Picnic Table for the Marine Park** was discussed. George Keyes and his wife Elaine offered to donate a metal "indestructible" table in honor of (deceased) realtor Parker Spofford. Similar, maintenance-free picnic tables are in use at Seven Tree Pond in Union (off Me Rte. 235).
  - a) Claire Bowley offered to inquire whether John Gatcomb would volunteer to help with the installation.
  - b) George Keyes offered to contact Ricky Parlin (sp?) if Gatcomb was unable.
  - c) Ed Fisher offered to provide George with sales literature and information.
  - d) Upon receipt, George will contact the provider for delivery details.
  - e) Claire will seek out information on a metal commemorative placque.
5. Ed Fisher offered to follow up on the progress/status of Phase I of the **Quarry Hill Management Study**, and to report back at the September meeting.
6. **New Board Members Needed.** George and Claire offered to sound out some good prospects, and to report back at the September meeting.
7. **Adjournment at 11:10 a.m. approved unanimously** (motion CB, 2nd JF).

[Next meeting: Tuesday, *September 6*, at **11:00 a.m.** at the Town Office.]
